### **Contents and objectives of the training:**

Sexualized violence has no place in sport - this also and especially applies to university sport. In this format, participants gain an in-depth understanding of this topic. The aim is for all participants to raise their awareness of this sensitive topic and gain confidence in dealing with it in their courses (and beyond).

- Overview of the empirical data situation and the state of research
- Determination of risk factors in sport
- Definition of "sexualized violence" and its manifestations
- Offender profile and strategies
- Intervention guidelines ("do's and don'ts")
- Reflection on one's own actions and activities in sport

**Teaching methods:** Short lectures, group work, sensitization exercise, dialog/exchange

**Speaker:** **Cathrin Cronjäger**, Central Institution for Sport and Health (ZESG) at Georg-August-Universität Göttingen, Focus: Diversity, Equality

**Services provided:** Seminar documents

**Course language:** German

**Registration:** until 29.11.2024 under **Registration** (requires registration in the system, then the Seminar " Prävention sexualisierter Gewalt im (Hochschul-)Sport" can be selected).
