

There is a position at the Sports Institute TU Clausthal as of November 1st, 2024

Sports and equipment manager (m/f/d)

with around 20% part-time (currently around 35 hours per month).

The sports institute is a central facility at Clausthal University of Technology with the areas of university sports and exercise science. It has various sports facilities such as TUC tennis courts, an artificial turf field, a grass field, 2 beach volleyball courts, the TUC sports hall, the TUC gymnastics hall, a fitness club and the TUC boathouse at the Okertalsperre.

Your tasks:

- Care and maintenance of sports equipment and equipment, as well as indoor and outdoor sports facilities
- Management and rental of sports equipment and sports equipment
- Coordination of sports operations
- Participation in sporting events

Your profile:

- You have technical talent and see tasks
- You are communicative, service-oriented and reliable
- You enjoy working in a small team
- You are committed, flexible and like to contribute your ideas
- You have basic knowledge of IT

Your advantage:

- A friendly and motivated team
- Very varied activities

The remuneration is based on the collective agreement for the public service of the federal states (TV-L) in pay group 4 TV-L. (The 20% roughly corresponds to a 538.00 euro job).

Does that sound interesting to you? We look forward to your application!

You should send your application documents (preferably by email) by September 23rd, 2024 to:
